

## Сведения о ведущей организации

организации по кандидатской диссертации Кириенко Анны Николаевны «Изучение роли рецептор-подобной киназы Л1 гороха в контроле формирования симбиотических субклеточных структур», представленной на соискание ученой степени кандидата биологических наук по специальностям 03.01.05 – физиологии и биохимии растений и 03.02.03 - микробиология

Федеральное государственное бюджетное учреждение науки «Ботанический институт им. В.Л. Комарова» Российской академии наук

Адрес: 197376, г. Санкт-Петербург, ул. Профессора Попова, д. 2

тел.: +7 (812) 372-54-43

Адрес электронной почты: binadmin@binran.ru

Официальный сайт: <https://www.binran.ru/>

## Список публикаций по теме диссертации в рецензируемых научных изданиях за последние 5 лет
